“ *James was a good friend and a hard worker. In our younger days we were in business together repairing water lines and making taps to set meters,sometimes in the middle of the night. James never complained about the cold wet conditions, Our children grew up together,attending Rehobeth Methodist Church almost every Sunday. A special occasion we recall was sharing their family tradion of "FIREBALL" on a clear and cold Xmas night.His children made him a proud man!! Our sympathy and prayers go out to them!! May God comfort them in the loss of their father. Charles,Claudia,Russell and Sonya We loveyou.*

“ James Baker and I shared the same grandson in Trey Hollie, which makes James a part of my earthly family. We are also brothers in Christ. We both were members of Bar None Cowboy Church in Tatum, Tx up until I moved to Mississippi. I know first hand how much he loved his Lord and Savior, Jesus Christ, and the Cowboy Church that he faithfully attended and served on the prayer team right up until the time he was called upon to serve up in Heaven on God's team. Knowing James, and his love of music, he is probably picking and singing a good ol' Gospel song right now, his pain of cancer forever healed. No more pain, only joy, especially being united with his daughter, Angel, my Daughter-in-Law. Give her a hug for me, James, and by the way, her Mother-in-law, Betty is there also. You'll see them all. R.I.P. James.

“ My family and I are so sorry for your loss. Mr. Baker was a wonderful man with a beautiful spirit. He gave our family a home for six years and in that time made us a small part of his family. He is the person that told me to have my daughter checked for diabetes, and he was right. I have thought of him often since moving, he will be greatly missed, but he is home now.
