“ I have always looked up to Buddy. First as an older cousin, then as a friend, and later as a brother in Christ.

Once Buddy and I were both a little late for the men’s prayer meeting before Church and waiting outside the closed door to the pastor’s office. One of the ladies came by and said “guess they are in there praying for a miracle”.

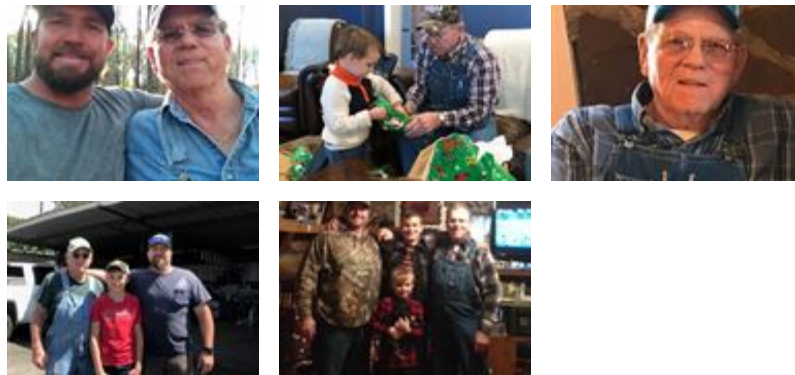

Buddy said “If they would open the door they could see two miracles standing here”.

Praise God! Buddy experienced the completion of that miracle, completely healed in every way and safe in the arms of Jesus.
