“ I was very sorry to read of James' passing, hadn't seen him in over 40 years but wish to convey my sympathies to all. James was a good friend during our school days, we enjoyed quite a few games of Football together in P.E. Classes. He was very friendly and liked by all, individuals such as James provide me with many, many great memories of my youth. I wish to THANK James and so many others for those days!

*Once again, my deepest sympathies to all!*
