“ Uncle Buddy will always be remembered for his wit, humor, and, unfailing love of family. His earlier years of electronics background inspired my choice to enter that field in the US Navy. His technical skills were always in high demand, but, his unique artistic pursuits were a particular joy to him and admired by many. He will be sorely missed. (James Warmack)

“ We met James and Martha when we moved to Longview TX from Lansdale PA. My husband, Billy, and Martha both worked part time at the Dairy Queen. This was I believe in the middle '70's. We also lived close to each other. We remained friends even though we moved to Dallas then Ft Worth. We most recently enjoyed a cruise with them, Do and and Maria I December 2019. Hugs and prayers for the family! 🙏
