“ James was my cousin by marriage and I got to spend some time with him and Barbara when they were newlyweds and lived in McGee AR. James liked to joke but had such a dry sense of humor. He loved to joke around. He also loved the Lord and served Him well as a minister and at the Camp he and Barbara directed. He will be sorely missed.

“ Bro. James liked corns, cherries pie at Whataburger, corn dog at Sonic, loved the Bull-dog high school football here in Carthage. Bro. James doesn't like healthy foods like vegetables only burgers and fried fish. I remembered when Bro. James and Barbara offered to pick me up at DFW when I first came to America in 2017, I thought they were about to kidnap me because the road seemed to take forever to get to their home in Carthage. When we passed by the Shopping mall in Dallas area, the pointed it to me and said: that is where the devil lives!

I love Bro. James and so very thankful to him. He is a great example of a Christian life that I am so glad to know closely. He loved people selflessly and served the Lord faithfully. He was a hard laborer in Christ and a great citizen of his beloved country. Barbara said, before he passed away, he was so worried about the voting. Even though he couldn't personally go to the courthouse to turn his vote, he asked Barbara to help him. Bro. James voted! He did just find as a citizen of America. In every role he played, he played it not just right but fine!

He will be forever in my heart! I praise God for his life! He is a faithful servant.
