“ Bill and Jim and families,
Your mother, my Aunt Jane, was such a unique lady who made me laugh and made me feel very special. She and Uncle Royal were very supportive of me and I watched her care for her family and work hard, yet always keep her sense of humor. I loved her.
I have admired the way you guys and Judy and Mary Sue cared for her and made her final years surrounded by love. You honored her.
My heart and prayers are with all of you and your families. Love,
