“ Janis loved her family dearly and couldn't wait to brag on her children and grandchildren. She was funny and I loved to get her tickled. I will miss Janis, but I am happy that she is free from the physical troubles that would not let her live as she would've liked. I have complete certainty that she ran to meet her mother & daddy! Sending our love to the family. May God help you through this valley & give you comfort and peace.
