“ I was so sorry to learn of Jeannette's death. She was a warm and creative person. My mom, Lillie Brevard Morphis, considered her one of her dearest friends (and cousins). I visited her many times at her home with my mother and enjoyed seeing her beautiful quilts stacked up in high piles. She and my mom were both interested in all kinds of crafts. My heart goes out to her family and I am sorry I was unable to attend her funeral.
