“ So sorry to hear of Mr. Worthington's passing. I remember doing business with him when I lived in Carthage and Beckville. He was always very nice and easy to work with when I was at Chapparell General Construction and Panola College. He also serviced my own A/C every year keeping me and my kids comfortable. He was very well liked and I'm sure he will be missed greatly. Prayers for the family.

“ My deepest condolences, and most heartfelt sympathies to all who knew and loved him. Because my husband works, and lives out of state, I have been forced to find people who can help me out on jobs, when I needed them to. Jerrel was much more than a business owner to me, he was a friend, an advisor, and always there when I called, even when I dialed his cell instead of the office. We had a good laugh over my inability to use a cell phone, on more than one occasion. He will be dearly missed.... soar high my friend.
