“ Jerry was my brother's best friend since they were in college in the mid seventies. Jerry was of great help cleaning out the house after my brother's unexpected passing almost two years ago. He was the first face I saw when we walked into the funeral home for his service. He told me some great stories about their college days. I appreciated his help and sense of humor. There is not much I can say other than thank you Lord for letting us have Jerry for a while. - Trisha and Pat Burnett, and Norma Lane - the family of Richard "Dick" Allan Lane.
