“ Have know Patti since we were born. Our dads and moms were best of friends. Jessie and I both graduated from WHS and he was always the nicest guy. My prayers are with you. I lost my husband, Darrell, one year ago with cancer. I understand the freedom of letting them go but the heartache of the everyday. God will be with you and you will feel strong again. They are whole and free - but for a little while and we will see them again! Love and Prayers, June Hedrick Barnhill
