“ My sympathy to all of Jo's family members. I met her many years ago and she helped me in my early years of genealogy work. What fun we had hunting ancestors at the "jail". We even worked on being related and did kinda make a connection of sorts. But agreed we just had to be related whether we could prove it or not. Such a wonderful person, so generous with her time, and remembered fondly.##imported-begin##Barbara Gilbert##imported-end##
