“ Jimmy was such a cheerful jovial man that he could draw the sense of humor out of anyone. Mother, who was usually reserved, once called Jimmy and threaten to sue him for child support after she found several baby racoons living in the little house. She told Jimmy that she suspected Billy Bubba, Jimmy's pet racoon, had fathered them when Jimmy had brought Billy Bubba to Indiana for a visit. Unlike some people who always have to get the last jab, he just laughed and appreciated that she had got one on him. He was just as comfortable when the joke was on him as when he was pulling one on someone else. That is rare and precious, just like Jimmy!
