“ It has been a deep honor for me to be a part of the Jernigan family for many years. I say that, because once you're connected to the Jernigans (via blood, marriage or any other means) you're family for life! Joyce was a kind woman. She knew about life's struggles and always stood by family. It was touching to see Bro. Dick Sawyer at the funeral, he was a part of the DeBerry/Panola community for many years, and is someone I'll never forget.

Certainly, the circumstances which lead up to a funeral are not pleasant, but the funeral itself was deeply touching and was a meaningful tribute to Joyce's life and her contributions to the world at-large. It was painful to watch her children weep, as I have felt that pain; and I care about each person who stood over her. A person never "grows up" too much to stop missing their mother.

To each of her children who might read these words today, or in the future, I care about you and am honored to call you 'family'.

“ Where does one begin? I have so many fond memories of this Wonderful lady.. Joyce was my first cousin by marriage but seemed more like a Mother when I was younger, I don't care if she got on you about something in a minute or so you would see her smile and that twinkle in her eyes. Joyce could also make the best Vegetable Soup and Cornbread, every time I make soup I think of her and will continue to do so! I haven't seen her in several years but i know she was still the same Wonderful lady she always was. I know that Heaven is hosting a "Beautiful" reunion for Joyce and all of the friend's and relatives who have gone before her! Joyce I love you and will never forget that "Contagious Twinkling Smile" Rest in Peace, if anyone deserves it you do.....
