“ I am so lost, sad & Heart Broken without Joe. To everyone that had the pleasure of knowing him what you seen of him is how he was, no pretending to be someone or something he wasn't. If he liked you, you had a Friend for Life if he didn't then you may as well go on because he was not going to change his mind. But I really don't think he met anyone he didn't like. He told it like it was no sugar coating it. It was hard for Joe to tell us he Loved us but we knew without a doubt he did because of the things he did for us. When we told him we Loved him he would just say Yeah. Joe you wasn't supposed to go before me. I just hope you knew how much I Love You, Watch over my Baby Jamie for me until I get there, I Love You. (Yeah)

Love Always & Forever,

“ To the Brevard family,

I was saddened to read of Joe's passing, we went to school together anong with his brothers Leroy and Frank.

We had a lot of fun during those years, I moved away afterwards and lost track of the family, they were fine, respectful, hardworking people.

You have our sympathy, please let me know if there's anything I can do, may God bless Joe and you all!###imported-begin##Mike Ford###imported-end##
