“ *John was a true friend. We used to laugh about being accused of brother-in-lawing on the practice field in high school by the coach. Then later we really did become brother-in-laws, but more like brothers. We traveled lots of roads together in our younger days and John was always a friend that could be counted on. Even back then, he was short on words but long on wisdom. Because of the grace of our Lord Jesus Christ, I know we will meet again.* ”

“ John was like a father to me and a grandpa to my kids. He was always there for us through thick and thin. He's always been a hard working man and always took care of his family! He treated me as if I was one of his own ❤️👉🥹 my boys Aiden Austin and Angel know him as their pawpaw and he loved them so much they love him and miss him so much. It was hard relaying this to them ... John is a good man and he will be missed so much! My own dad never did anything that John has for me. He has always taken care of me and my kids and my mom! My heart mourns for the family!

“ John assisted us when we moved back to the Youngblood community in 2006. We needed a notary republic and He went with Charles to see one plus he allowed the utility company on his property behind us. He was a very kind person and will be missed by family and friends.
