“ Dearest Ruth,
My heart is broken hearing of this tragic news. I am speechless. You definitely raised him in the fear and admonition of the Lord. We are assured of his resting place, in the bosom of Jesus. I hope that you can find comfort in the Comforter, Jesus. I love you and am praying for you as you grieve the death of your baby boy, little John. I'll miss him.

“ ..we shall not all sleep, but we shall all be changed. In a moment in the twinkling of an eye... and the dead in Christ shall rise first: Then we which are alive and remain shall be caught up together with them... to meet the Lord in the air: and so shall we ever be with the Lord. Wherefore, Pastor White and family, I comfort you with these words. (1Corin. 15:51,52 1Thess. 4:16-18)
So sorry to hear of your loss. Spoke with John several months ago. It was a blessing to hear from him as we updated each other on family, etc. He was exactly as I remembered him as a young boy, when he and my children would play together during your many visits to St. Peters--so happy, upbeat and outgoing. Pastor White you raised a beautiful and loving young man. Much love and God bless!!##imported-begin##Elder Jeane Bryant & family##imported-end##

“ Only knew John for such a short time at Rhema, but it was a pleasant one. He made us laugh and had such an outgoing personality. I remember all the times he bought McDonalds breakfast for me. He will be missed. I pray his family is comforted during this time.##imported-begin##Valerie Austin##imported-end##

“ To know you was to love you John. Today you are resting in the arms of Jesus, something that we all desire to do.
You made all of our faces smile, our hearts was always filled with joy and laughter when you came in the room.
What you gave us John will always and forever live in our hearts.
A loving, true, God given feeling was your anonting and you John (Sleepy) White allowed God to use you in away that moved our emotions with joy.
Mama Ruth John completed the task!
Much prayer and strengh in Jesus name.###imported-begin##Linda Crawford###imported-end##
