Mr. Johnny E. Metcalf was born December 21, 1966 in Center, Texas. He passed this life January 9, 2025 surrounded by his loving family at his Deadwood home. Johnny was born to the marriage of Doris Thompson and Melvin Metcalf. He was raised and schooled in Center, but convinced his kids he went to P.T.U. Possum Trot University. “ Me and Johnny were very good friends back in the early eighties, we worked together at HOLLY FARMS, we use to go riding around after work (evening shift) we use to go to possum trot , that’s when he mentioned to me that he graduated from PTU , I use to tell people that same story, but he’s the one who started it, one day at work he asked me if I had ever had BBQ coon , and that he knew a place where we could get one, so a few days later we went to possum trot to pick up one that he had ordered from someone he knew, all I can say is it’s a good thing we had our favorite beverage with us when we ate it and that this was the first time and last time I ever ate coon , I’m sure Johnny will be missing, my deepest condolences to the family, I’ve never forgotten Johnny and never will
