“ *We just found out tonight about Josepha and her little girl and the little unborn child. Frankie and I want Felipe and all the family to know it absolutely broke our hearts when we heard what happened. I always called her Chaka. We can say she was such a sweet woman. What a wonderful family the Ponce's are. There aren't any words to be said that would bring much comfort to the family experiencing this great of a loss. All we know is our hearts break with yours and we will not cease to pray for the peace and grace of God to help the family through this sorrow. As Frankie said "Why would the Lord take someone so precious and always set a good example for others." All I know is when my little sister died years ago, the pastor said, "God is making a beautiful bouquet that he holds in his hands, and sometimes he has to take the most beautiful people, on the inside and outside, for the bouquet to be the brightest and loveliest of all he has created. God bless your family. Sincerely, Frankie and Janice Dixon*
