“ Josh & I were best friends. We worked together and I was his dispatcher. I loved him like a younger brother. Thru many events in his life recently I came to know a true friend and a good young man. Hard worker, good listener, compassionate for everything in his life. Your in my mind daily & I miss you terribly. A part of my heart is missing and breaking for your family your children and little jasper. I'm truly a better person for having been blessed with you in my life. Love you my friend.

Fly high and rest easy in the Arms of Angels. Til I see you again in Heaven.

Gone too soon & never forgotten 💔
