“ *Mrs. Chapman was such an inspiration to me and helped mold my young life at Panola. She took me into her home when going back to Joaquin was just too far to travel after play practice, etc. I worked in the library and we became very close friends. She and Mr. Lee were wonderful people. I miss her Christmas cards that she sent every year. That is how we kept up with each other's lives. I loved her.*

The Winkler House will not be the same without you. You were such a joy to my Kindergarten kids and we loved you so much. Thanks for giving "grandmother hugs" to all of my kids. I will miss seeing your beautiful smile.
