“ Mrs. Juanita will always hold a special place in my heart. No matter how she felt when I saw her she always had something sweet and positive to say. They just don't make many like her anymore.

“ Chae, our prayers are with you, and the entire family during this huge loss. She had such a big and kind heart for her family and friends. The first time I ever met her our conversation went from business to talking about the goodness of our God. She was one of those praying mothers, grandmothers, great-grandmothers... You kids, grands, greats, and great-greats were so blessed to have such a special lady.
