“ *Brenda and Gary, We just learned of Aunt Juanita's passing. Joanna and I have been out of the area. We are so sorry.*

*Aunt Juanita kept me during the summer while my mother worked. She would cook dewberry cobblers and chicken and dumplings two of my favorites. She was a great cook.*

*I enjoyed deer hunting with the whole Bounds clan. Also, we all would go to the Sabine River where we would run the trout lines and frog gig all night.*

*Once my dad, Uncle MG, Aunt Juanita and myself were running lines in a flat bottom boat. We pulled up to the end of the trout lines and a water moccasin slid into the boat. Aunt Juanita grabbed a dip net and started paddling as fast as she could. In the heat of the moment she thought she had a grabbed a paddle. The snake was slithering from one end of the boat to the other. We finally killed the snake.*

*We all laughed about it later but I learned some new words that night.*

*I know she will be missed.*

*We have you guys on our prayer list.*

“ *Juanita was always very kind but frank with me. Haha. Todd has told me so many stories of being at the deer camp with the ENTIRE family. Some of his best times!!! Juanita would make me laugh the entire time I was around her. She deeply loved Tucker... aka Tucker man. I am so thankful I still have the baby blanket she made for him when he was born in Jan 2001. It has been and will continue to be treasured. Praying for the family.....Todd, Melanie & Tucker Tarjick along with Jordann Tarjick Brumley.*

“ *What great memories I have of Aunt Juanita. She could always put a smile on my face with her comments and expressions about well, anything. She was never one to steer away from telling you the way she saw it. A hard worker, great hunter, homemaker, and one which was dearly loved by her family. Praying for you Brenda, Gary, Summer, Adam, and the grandkids & family. I'm quite certain her and Uncle R.K. and all the family that has gone before her are having a time of rejoicing even now.*

“ *It really seems unreal. There's so many things that I will miss. You were one of the most wonderful souls I've ever known. Strength, integrity, kindness and great sense of humor... only a few of the things that will be greatly missed. I enjoyed the time I got to spend with you, mom and Reba... on our little shopping trips and meals on the go. You will truly be missed...💖*
