“ Great heart, spirit, love for the Lord and everyone she came in contact with.... I've known her my entire life. She was always supportive, gave words of knowledge and praised God. She and Elaine were always the first ones to support and love my grandmother in any time of need. They were always there for her. That meant a great deal to me and my family. She always seen the best in people and prayed for them in times of struggle. She was a special lady and will be missed by many. I know she is with the Lord and I send prayers to her family, the most important people in her life.

“ I just learned of Judith's passing. I am so sorry to have read of her passing. I just met her in March through a Facebook group, 'Yeshua HaMashiach'. I sent the group a prayer request, and Judith so graciously responded. We connected with each other. She sent me a friend request and I accepted. I don't usually accept friend requests from people I don't know, however, my spirit connected with Judith's. I didn't know her personally. She was a remarkable woman. She was a BLESSING!!! I am so sad. Once again, I'm so sorry for your loss.

“ I already miss Judy so much. She was my close friend way before she became my sister-in-law. She had an unconditional love for everyone she met and especially her family. I will always aspire to have the grace, mercy and humbleness she had in times of distress and adversity. She was a wealth of knowledge when it came to knowing all the relatives, their children and grandchildren. She had a story about everyone she met and only saw the good in everyone. Her husband and sons were her everything as she was to them. Ronney will miss his weekly conversations with her , her love and her laughter as I will. Her last words were to tell us she loved us and thanked us for being there for her through the years. It is Judy who we want to say we love and thank her for being in our lives. We are blessed for loving her. Always in our hearts, Jeanette & Ronney Ortigo
