Jill & I are deeply saddened to hear about the passing of aunt Judy. I will always remember her kind and warm personality. One memory I have that stands out above all others was as a young boy who was infatuated with football how impressed I was that she had not only watched the previous Monday Night Football game but also shared my frustration that my favorite player didn't get the ball more. Our prayers are with Tammy, Jimmy, and Jeffrey.

I have fond memories of Judy when we were elementary school friends. I remember spending the night with her and her sweet mom taking us places. Judy and I would sneak into the kitchen and "steal" that wonderful Martha Washington candy her mom would make. Judy was such a sweet person. My prayers go out to the family.

“ *Judy & I spent our high school years together. I remember going to bowling alley or to the truck stop for lunch. We spent a.ot of time at her dad's feed store or my dad's restaurant. We loss touch after we got married but I ran into her at brookshires one day years ago & she looked the same except she had cut her long hair off . Of course we all remember her yellow mustang that we had a lot of good times in. RIP sweet Judy praying for your family 🙏🙏❤️*
