“ My prayers are going up for Keith's family, he will be missed. I worked with Vicky at First National Bank in the late 70's where I was introduced to a handsome little boy, Keith Clark. I was pleasantly surprised when he re-introduced himself to me 40 years later! His heart was huge for his family, and his neighbors. He would share his wonderful food he cooked up with our grandson(MS patient) who lived above him, although he was having health issues of his own. He would call me if he got worried about him...such a BIG heart. I will forever remember Keith, his compassion, his concern for others
