“ I am Ashley's mom, Luke's wife. I knew Mrs. Kelly was a very special lady when I took my late mother over to visit Ashley and see her baby goats, Kelly came outside and visited with my mom and I like we were old friends. The other special thing about Kelly was she made my granddaughters, Sky and Alivia, Ashley's girls feel very welcome and like family from day 1 and to me that was very special. She will be missed deeply by alot of family and friends, but God has her by his side and she's looking down on everyone with love and grace.

“ *Prayers for the family during this time. May y'all find peace and comfort in our Lord Jesus. Ms Kelly was always the kindest and sweetest soul. So thankful for the time that me and my beloved Jason went to visit one time. I know that wasn't my first time to meet her but definitely the first to speak to her and I enjoyed it for sure. She will be missed by many.*
