“ *I love and miss Kenny. He was one of my best friends. I wish I had spent more time with him since the drug store closed.*

*We had so much fun at work giving him a hard time about being one of the girl! but I know that if I had ever needed him he would do whatever he could. He easily became one of my family and we are all devastated.*

*I send all my love and prayers to his family. You are so lucky to have had him in your life.*

*My sympathy,*
