

Mr. Kenneth Pauley

March 23, 1943 - April 19, 2024

Kenneth Pauley passed away on April 19, 2024, peacefully at his home after a long battle with AML Leukemia. He passed away looking at the lake, which he loved to do. He was a son, husband, and father. He served his country in the US Airforce and spent many days hunting and fishing. He enjoyed working on cars, trucks, loved woodworking, and fixing things he could, figuring out problems and solutions. He will always be remembered as a man who was willing to help anyone in any way he could. Always remember his statement, “that if you chose to help someone, do only what helps, but do no harm”.

Per his request, there will be no services.

“When I have no more miles left and at the end of the road, I want no services in a room, remember what we once shared. If I wasn’t worth a visit or phone call, no reason to see me once I’m gone. Share your sorrows by helping those you can and doing something good in this life”

“ Probably the most narcissistic person I have met in my life. Cheater, abuser and dilettante (look it up). Glad he's gone.
