“ We will miss Ken. We were not as close as we were when we were in our teens and early twenties. He has remained a friend of ours through difficult times. He would usually come and visit with us every few weeks. We had last seen him a few days before the accident. We are so proud that the Lord gave us that day. It was only a brief visit but he told us how much we meant to him and how he loved us. We were able to tell him how we loved him and would always be friends. We are so thankful for that day.##imported-begin##Neal, Vickie and Dawson McFadden##imported-end##
