“ I am writing this for Ozell Wiliford Rawlinson, my mother, who is a cousin on her father's side. Mrs. Kortez' mother was a sister to my mother's daddy, Thomas Herman Wiliford of Cushing, Texas. My mother will be 95 the 23rd of this month and has a picture of the two of them made when she was 90 and Mrs. Kortez was 94. She has spoken so often of her and her love for her and their growing up years. Reading the comments, I know she was a beautiful lady and well loved by all and the world was made a better place because of her life here. Shirley Rawlinson Klodzinski, Livingston, Tx.

“ I am so sorry for the family of KK. I apologize for not going by too see her. Unfortunate things keep me from visiting. I truly loved her!! We had some fun talks and laughs together. She had such a youthful and beautiful soul! I have missed her but I know she is at peace with her sweet smile looking down on all who loved her!

“ When the Good Lord created KK's soul, he threw the mold away and started over, because she was one of a kind. She was fabulous! I loved her mischievous smile and her sassy wit. She is the reason I can't pass up a junk store today, after getting to roam around in her wonderful home and hearing her stories of how she got her things. The earth is a great place, but a bit dimmer today without her. I'm sure Bo was there to meet her and they are having a sweet reunion. She's missed already.

“ I will always remember how she would take my hand and ask why don't you have a ring on. She was a sweet and vivacious lady who said just what she thought and I really admired her for this. Heaven is sweeter because KK is there.
