“ There was never a time that I showed up, either at the house or the river lot, that Lavenda didn't make me feel welcome. I can hear her now telling me to get in there and get me something to eat and laughing with me, (and make sure those kids didn't leave that wet towel on the bed in the camper) I know y'all are gonna miss her so much. I'll be praying for y'all for comfort. Love, Jennifer (Gingles) Jagneaux
