“ I became friends with Lenny when I was 16 years old. When I think of him I always see a funny teenage boy who was always laughing and causing those around him to laugh. Although I've been out of touch with him for years, I never forgot him and I have in my heart some very fond memories. If I could dedicate a song to him it would be Rod Stewart's "Forever Young" because in my heart that's how I see him.....young and carefree! He will never be forgotten. I also love his entire family and pray that God's peace will surround them and carry them through this difficult time.

“ I am so deeply sorry for your loss. I met Lenny at Grand Valley HS. He was a freshman when I was a senior there and I (along with Rusty Craig) was a PE aid for his class and played ball with him. We spent a night or two in later days round a few bonfires at Dry Creek too. I remember how he was great at making people laugh and how he almost always had a smile on his face. Rest in Peace Lenny. You are all in my prayers.

“ I went to school with Lenny in Colorado, When he was a senior I was a freshman, However I knew him outside of school also. My sister and him dated for awhile He invited our family to his church one Sunday and after that we would go on a regular basis, Sunday morning and evening then sometimes on Wednesdays, his whole family was big into the community church. His mom was such a nice lady. At school I remember seeing him it didn't matter who you were weather you were popular or not, an athlete or not, If he passed you in the hall He had a smile on his face as would always tell you hello no matter who you were. I am so glad that I was able to know someone with such a kind heart. Lenny you will be missed by so many! Rest In piece! My condolences go out to your family during this difficult time.

“ The best memories of my childhood are the ones I shared with my father. He was a great man. I remember every Saturday waking up and sitting with him and my sister eating cereal and watching "Tom and Jerry." I remember all of the time spent hunting or fishing with him. I remember all of the times that we would work on things together. I remember him teaching me to change my oil. I remember him teaching me to turn the other cheek and I remember him telling me that God was the most important part of my life, and I never forgot that. I will miss him very much, but I know that he is in a better place. I know that yesterday morning my grandmother got to sing him happy birthday for the first time in many years. And I know that he will be watching over me and my siblings for the rest of our lives. HE was gone too soon, but the Lord knows why. Rest in peace daddy. I love you.

“ I have known Lenny since I was 18. He first started out as our exterminator but he was more than that, he was a dear friend of our family. He always would check on my mom over the past 20 years. We were there for him when his mom passed and his grandma. My mom considered him another one of her sons. He was always talking about his love of his children and hunting. He was a very sweet man and we are deeply saddened by his passing, but to know he is with his mom and grandma is comforting. Prayers to his family through this difficult time. We love and miss you.

“ My memories of my brother are so numerous. He was funny, loving and loyal. He loved his family so much. Ally, Kelsey, Sarah, Hunter, Amanda and Koby were precious to him and his life. He would give the shirt off his back to anyone who needed it. He loved to hunt and fish. He loved to tease his sisters. :- ) I miss him so much.
