“ Susan and Billy, when I think of your mom I think of spunk, a strong willed lady, and one who knew how to keep things under control as the manager of the Carthage Heights Apartments. This tiny lady could be a stick of dynamite if she had to be, nothing got passed her...she amazed me! I admired her faith, her love for God and for you guys, and those grands. I enjoyed knowing her down through the years. I pray for you all to be comforted in the days to come. We love you and your entire family.
