“ I have thought about Linda many times in the last 30 plus years. We grew up in a great neighborhood in the greatest of times. Linda was always a fun girl and her laugh contagious. I am sorry to the Wright family and Jessica for your loss. I wish you all peace and comfort in the days and months to come. “ I first met Linda in our eighth grade science class at Judson Middle School and we were best of friends ever since. Some of my fondest memories with Linda were our trips to the lake, and spending our weekends together. It was nothing for us to wake up and eat chips and Alberts hot sauce for breakfast in the morning.
Linda was a loyal loving friend, a loving daughter, a caring sister, and a wonderful mother.
My life was truly blessed by having Linda as my friend!
My thoughts and prayers with her family,

“ Linda and I were in the same class at Longview High School. She was always a calm, steady presence, but she liked to laugh and have fun, too! I'm sure that her kind spirit and sweet nature served her and her clients well in the profession of social work.
