“ I knew Lisa as a young woman just out of high school - she was an acquaintance of my sister's - and the overriding memory I have of her is that she was a kind, loving, compassionate person. She bought me a wallet for my high school graduation 30 some-odd years ago, and i still have it, carrying it occassionally. This world - and my world in particular - is a much poorer place without Lisa. God-speed, Lisa.##imported-begin##T.##imported-end##
