“ I have worked with Jack for 10 plus years with Tyson Safety. What a great man, that had so many great stories to tell of his experiences. It was always good to see him during my visit to Carthage and to have that good sit down lunch to just sit and talk. Jack had so many good ideas that he loved to share those with other safety managers to help all, he was always on my safety calls with a smile and would always step up if we needed help. Jack always had his stuff together. So sorry for the loss of a great leader, a father, husband and friend. Jack was a valuable asset to the company and to the community. Prayers to you and the family. He will be missed.

“ Rest my friend... enter into the peace of the Lord, Enter into the Joy of the Lord.

Always enjoyed being around "little" Jack and talking to him. The family lost a pillar of strength, my prayers go out to y'all. The world has lost one of the genuine souls when brother Jack laid down his working tools of life. Well done thy good and faithful brother.

“ When working at Tyson he was always safety first. We had our ups and downs but I know way more ups and I stand proud to say I knew this man and regret nothing of the past but not staying in touch after leaving. His passing is total shock but he was and always will be respected in my book. Keep it safe Jack you was one of the good ones. Thanks for the laughs.
