“ Miss miss him! Watching those two boys as teenager and young
men were my first exposure to how adults growing up acted. I
always looked up to Lonnie. I remember him taking me skating with
Kay and Gladene and I remember riding in the pick up truck when
he and Mary first got married and she was riding next to him and
shifting gears. I thought it was so cool they let me ride with them. I
remember him taking me down to Center to buy beer! Ha! I always
thought we were going to the “beer center”. Loved talking to him
about the Longhorns. He and Uncle Bud were always talking to me
about it when I was home from school. I love y'all's family more than
you could ever know and have been praying for everyone! I wish I
could be there to give y'all a hug! Love Chris

“ Mrs. Mary I'm so sorry for your loss. I'm praying for you and yours, and I know So many others are too. I want to share with you something that has always given me comfort. Rev. Charles French always reassured me by saying "Remember, they're not gone forever - one day we'll get 'em back". What a glorious day. <3.
