“ I only learned of Lovis' death last night (1/21). He always promised he was going to visit us, but had not been here in a long time. He and Vilace were so good to visit my mother during her illnesses at her life's end. We always teased Charles about his professional relationship with Lovis while he was JP and Charles was speeding to work a Beckville.

“ *Sandra and Nail family,*

It's been many years since we enjoyed riding horses at the Riding Clubs, Trophy Shows, etc. My Grandfather, Travis Burgess, later had the pleasure of working with Mr. Nail at Panola Road and Bridge. My grandfather always had so many good things to say about Mr. Nail. He was appreciated and well though of by so many! Please accept our condolences. May your faith in God help during this time.
