“ Love, Love, Love Ms. Lula Mae. She was like a mother to me,. When Jeff was born she was right there by my side, holding my hand. As life went on I didn't get to see her as much, as I always had to work. She was a special lady to me. Always wanted to see her when I got back home but never got around to it, Jo Ann, I am so proud you could take care of her,. She lived a long life and I know you have some great memories to treasure., My love and prayers are with you and the family,.
