“ Miss Lurline was a precious lady. I can't ever remember not knowing her. She worked with my mother at the Courthouse, in the tax office, in the 1970's. I remember very fond times during those years. Those ladies would round up their families and go out to eat (always Mexican food, as I remember) in Longview. We had a great time. The day I got married, Miss Lurline came by my apartment to deliver a gift and her best advice for a new bride. I have never forgotten her words. I can only think of love when I remember her. She was a wonderful lady.

“ Ralph and Tiney,
Your mother was the dearest and sweetest lady I have ever known..
I'm sorry that years have brought us apart but never in heart and
mind. I've thought of her often and so very thankful that I had a
conversation with her a week prior to her passing. My prayers are
with you and hope that the memories will bring you much peace
knowing that she is in God's sacred home. God bless , Lynne

“ Lurline generously gave her time to visit with my mother, Mildred
Chamness Shepherd, when my Mom could no longer drive. Mom
and Lurline spent many afternoons visiting and playing games. I
have enjoyed visiting with Lurline while she has been at Briarcliff
and hearing her relate anecdotes about fun times she had with my
parents through the years. Annette Shepherd Powell
