“ *Tony & Steve, I am sorry for your loss. Aunt Lou was and still is my favorite aunt. I always made a point every time I traveled through Carthage to visit with her. She was a no nonsense person and this is what I loved about her the most. I know over these last few years it has been hard on both of you and our families have suffered a lot but we all need to stay strong for those that depend on us. God bless you and your families.*

Tony and Steve, thank you so much for sharing you Mother with me. Aunt Lou never turned me away and gave me a place to stay in some very difficult times! She rocked me all the time and let me suck my thumb as much as I wanted ! Lol. I'd watch her cook while we waited for Uncle Delmar to get off work. We watched many many episodes of Sandford and Son , also HeeHaw. Love you all and your Mother will be sorely missed by many! God bless and comfort you in this trying time.
