“ Yancy and I first flew together in VMFA-451 on 11 October 1974. Our last flight together was on 5 October 1976. In between these two days we had a great time flying off the USS Forrestal. At least I did, he might have had a different story!  
Buffrilla you flew West without me but I'll find you so save me a seat at the bar! Semper Fi

“ *Rest in peace Mr. Bounds, you were the example of showing kids the right way to live. Not just in school but out of school as well!!! You had so much influence on the kids that came to you, just to want to do better. You were stern, but we always knew you cared too!! Praying for your family, friends and everyone who is mourning you. Rest easy Soldier, as you are with God now!!!*
