“ Marilyn Jean (Aunt Mar Mar to my kids) and I were friends for over 40 years. We were neighbors for 9 years. She used to come to the house and we'd stay up all hours of the night playing Scrabble, Trivial Pursuit, Yahtzee and other games, laughing the entire time. She'll be sorely missed. May God comfort her family.

*Marilyn (Aunt Mar Mar to my children) and I were best of friends for 40+ years. We always laughed and enjoyed some of the silliest , smallest moments, but for us we found the humor so easily. We stay up till 2/3 in the morning playing Scrabble, Trivial Pursuir, Uno, etc., just enjoying each other. Being older than Marilyn, I never imagined her leaving this earth before me. I am without words or understanding. You will be sorely missed but good memories will stay with me always.*

“ Marilyn's first job after cosmetology school was working for my mother, when she got married her wedding shower was at my mother's house and when Shane was born the baby shower was at my mother's....ive known Marilyn all my life and we have had way too many good times to try and count. Rest easy dear girl, your load was heavy these last few years. Hopefully it is much lighter now.
