“ I just learned today the passing of my sweetest friend who was like a sister to me. So many memories going back over 48 years. I had my own room wherever she and Mike lived. She dubbed me “Nena” when Michael was born because “aunt” was too old fashioned! My heart is heavy and sad today. I wish our seasons in life could have extended to share our roles as grandmothers. She had the best example in the world. I love you and look forward to seeing you in heaven. Without doubt you will be in the heavenly choir!! All of my love to Mike, Michael, Marc, Marie, Michelle’s and your expanded family that I look forward to meeting one day.

“ *I met Marilyn 50 years ago while we were freshmen in college. She became my roommate and my friend. I visited Carthage many times, staying in her home with her parents. I was introduced to a young man that she was very fond of...Mike Wilson. I met and visited her precious grandmother in Beckville and I came to realize that everyone I met adored Marilyn. Years passed by...she and I both married. I thought of her often but couldn't find her over the years. One day, not so long ago, I located Marilyn and Mike. It was a joyous day. We met for lunch in Tyler and it was like time had stopped. I'm so very grateful for that time we had...the chance to catch up, because I too, adored Marilyn. May God grant peace and comfort to all who love Marilyn.*

“ *My thoughts & prayers go out to the entire Wilson family. Marilyn was one of the sweetest women I have had the pleasure to know . It was a pleasure to work for her for around 20 years. We shared a lot of conversations over the years. Will never forget the carrot cake she would make me for by my birthday. She was an awesome cook as a lot of people know. She will be sorely missed 💔💔*
