“ One of the best people I have know in my many years. He and Mrs. Hilda were in a place of employment were I was office manager. We spent alot of time together. He was the one who tricked my husband into flying for the first time. He even talked him into taking flying lessions. He was a dear and wonderful man. And very good to the people in his life. He will be missed. It is just a bit sadder on this earth without him.##imported-begin##Yvone Sanders##imported-end##

“ I met Mr. Bud in 1998 when working at a restaurant as a waitress at age 18. Mr. Bud was a frequent patron of the restaurant and was always very friendly and loved conversation. I felt a special friendship with him and have remembered his kindness after all these years. I wish for peace for his family and wanted them to know what a kind person he was to me.##imported-begin##Kathleen##imported-end##
