It was an honor to be doctor for such a sweet lady so many years. I always enjoyed having her as a patient and a friend. So sorry for your loss. May God give you comfort.

One of the sweetest and funniest ladies I have ever known. So many family gatherings throughout my life that mark some of my fondest memories of my childhood. We have laughed, cried and shared an enormous amount of love between our families that will forever make me smile just thinking about you. You will be missed but I know you are with all of your loved ones who have gone before us. I am so sorry I cannot be there to share in the celebration of your life with all of your family. You are all in my heart during your time of sorrow. I love you all.

Miss Jean was the same back in the day of Perry Brothers as she was to the end. She kept her faith to the end, and has won the race and will be missed by many. Rest Miss Jean, and I know you are free and with many love ones, the line will be long there, but you will be greeted by each and everyone who have made it there before you. Prayers for the family for comfort and peace in the days ahead.
