“ Kim, my dear friend. Words can not begin to express my deep sorrow with the passing of Michael. We would discuss him a many a times over lunch, dinner, or when the need. I regret that as close as you and I are, I never spent much time around him. I know that you, the kids, and the grandkids were his world. I remember stories you would tell me where your reply to him was...."Listen Dude". I can hear you saying that now. My heart hurts that I can not be with you at this time but do promise to visit soon. We will talk soon.

With all my love,  
Jackie

“ Kim, while I never got a chance to know Michael, I know he must have been special. You will be in my thoughts and prayers as you cry for your loss and as you laugh when little memories of joys shared catch you unawares. He will always be in your heart.
