“ I can remember when I was little and I was at my nanas and Papa's and nana was always in the kitchen cooking some yummy things to eat or hollaring at Kim to keep a eye on me. Most of all I remember the love she and Papi, aunt sandra, uncle Red, aunt Charlie and jeff & all my other cousins gave me when my daddy would let me visit for undetermined amounts of time. Then when he died everyone tried to comfort me if it wasnt for them and Momma Fern I probably woulda dried up and turned to dust nin the wind. I love you nana, papa & the rest of my Eldridge family, I hope you can find comfort in all the wonderful memories you have of her and papa.

I spent many days in the hay field with Leon and Kim. Me and my nephews hauled the hay he baled during my high school years, and I cut hay for him in the summer of '76 until my dad died on August 1st. Kim was just young boy on that tractor running that rake. I can still hear Leon hollering ate me over the sound of the tractor and mower "your blades are worn out, boy".....and just a grinning at me. I love my nanny (mildred) an pappy(leon) still to this day. I remember when nanny gave me candy and when pappy hugged me to death. I loved their soft kisses and how they never on hated our thanksgiving. The day my aunt psige told us the horrible news, I was devastated. Nanny and pappy, y'all will forever remain in my heart. Love, Jane the (quote from pappy) their little indian

Sandra and Lonnie - So many wonderful times our families shared as we were growing up- I'll always remember Ms. Holliday as being so sweet and kind with that beautiful smile..She cared about others and truly loved her family..When Mama was so sick- she called often checking on her..and I know right now they are kickin' up their heels and probably dancin' on tables- so excited to be together again! What a CELEBRATION they're having!.. but I know you'll miss HER.. I pray for GOD to give YOU STRENGTH and COMFORT in the days ahead..ALL OUR LOVE to YOU and YOUR FAMILY..Sharon Abel
