“ *I know it's been several years since we seen each other but Misty was always fun to be around. We've worshipped God together, she's cut my hair and my daughters hair. We had good conversation! I know she loved the Lord so I can be comforted by the fact that I'll see her again in Glory! My heart goes out to Gary and the kids and now the grandkids. She will be greatly missed.*

“ *The family is in my thoughts & prayers. Heaven has truly gained an angel in Misty. She was never unkind to anyone. I saw her just before her & Gary left for Galveston and we were talking about them coming over to visit and have supper. I'm so thankful that we got to see each other that day. I will miss her and never forget the kindness she showed to everyone that she met. I will cherish her friendship and all the wonderful memories of her throughout our years in school and beyond. RIP my sweet friend!!*
